

Material Safety Data Sheet Off The Beard

Date of Preparation: 1/01/15

Revision: 1.1

Section 1 – Product Identification

Eye Envy Off The Beard Stain Remover

Section 2 – Hazards Identification

Not hazardous according to Unites States Occupational Safety and Health Administration (OSHA) Hazard Communication Standard (29 CFR 1910.1200), the Canadian Workplace Hazardous Materials Information System (WHMIS) and Council directive 1999/45/EC and its subsequent amendments.

Section 3 - Composition

Eye Envy Off The Beard: Water, Witch Hazel, and Boric Acid.

Section 4 - First Aid Measures

Inhalation: Remove Source(s) of contamination and move victim to fresh air.

Eye Contact: None under normal use..

Skin Contact: In case of skin contact, wash thoroughly with soap and water. If irritation persists, get medical attention.

Section 5 - Fire-Fighting Measures

Flash Point: None

LEL: Not Established

UEL: Not Established

Flammability Classification: Non- Flammable.

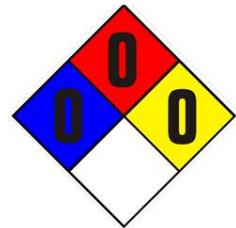

Extinguishing Media: Any Necessary.

Unusual Fire or Explosion Hazards: None

Fire-Fighting Instructions: Fire fighters should wear self-contained breathing apparatus

Fire-Fighting Equipment: Because fire may produce toxic thermal decomposition products, wear a NIOSH/MSHA approved self-contained breathing apparatus (SCBA) with a full face piece operated in pressure-demand or positive-pressure mode.

NFPA

Section 6 - Accidental Release Measures

Spill /Leak Procedures: Dike and contain spill; absorb or suction up excess into suitable container for disposal. Stop or reduce discharge if it can be done safely.

Regulatory Requirements: Follow applicable OSHA regulations (29 CFR 1910.120).

Section 7 - Handling and Storage

Handling Precautions: Use good general housekeeping procedures.

Storage Requirements: Store between 10-30 C. Protect from freezing.

Section 8 - Exposure Controls / Personal Protection

Protective Clothing/Equipment: Wear chemically protective gloves to prevent prolonged or repeated skin contact.

Section 9 - Physical and Chemical Properties

Physical State: Liquid

Appearance: Clear liquid

Odor: Witch Hazel odors

Vapor Pressure: None

Solubility in Water: Soluble

Boiling Point: 100C

Freezing/Melting Point: 0C

Section 10 - Stability and Reactivity

Stability: These products are stable at room temperature in closed containers under normal storage and handling conditions.

Polymerization: Not Applicable.

Chemical Incompatibilities: Potassium, carbonates and hydroxides.

Hazardous Decomposition Products: Not Determined.

Section 11 - Toxicological Information

Eye Effects: Irritation

Skin Effects: Irritation in prolonged exposure

Carcinogenicity: Non Determined

Mutagenicity: Non Determined

Teratogenicity: None Determined

Section 12 - Ecological Information

None Established

Section 13 - Disposal Considerations

Disposal: Must be disposed of in accordance with applicable Federal, State, and Local regulations.

Section 14 - Transport Information

Not regulated via DOT or IATA or IMDG

Section 15 - Regulatory Information

California Proposition 65: These products do not intentionally contain any chemicals which have been identified by the state or California to cause cancer, birth defects or other reproductive harm. No special packaging or labeling requirements

Section 16 - Other Information

Disclaimer: The information contained in this MSDS is considered accurate as of the version date. However, no warranty is expressed or implied regarding the accuracy of the data. Since the use of this product is not within the control of Eye Envy., is the user's obligation to determine the suitability of the product for its intended application and assumes all risk and liability for its safe use. This Material Safety Data Sheet is prepared to comply with the United States Occupational Safety and Health Administration (OSHA) Hazard Communication Standard (29 CFR 1910.1200), the Canadian Workplace Hazardous Materials Information Systems (WHMIS), and European Union Directive 1907/2006/EEC (REACH). Hazard symbols and risk phrases are based on maximum listed concentration or each hazardous ingredient. Unlisted ingredients are not "hazardous" per OSHA Hazard Communications Standard (29 CFR 1910.1200), the Canadian Workplace Hazardous Materials Information Systems (WHMIS), or the European Union (EU/EEC) Directive 1907/2006/EEC and are considered trade secrets under US Federal Law.
